*away*

A handwriting guide for the word "away". It features two rows of three horizontal lines each. The first row is solid black, the second row is dashed red, and the third row is solid blue. The letters "a", "w", and "a" are written in black ink. Red arrows show the direction of strokes for "a" (down-right), "w" (down-left), and "y" (down-right). Blue arrows show the direction of strokes for "a" (down-right), "w" (down-left), and "y" (down-right). A small blue arrow at the bottom center points downwards.

boy

A handwriting guide for the word "boy". It features three horizontal blue lines: a top line, a middle line, and a bottom line. The letter "b" is shown with a vertical red stroke on the middle line and a curved blue stroke that descends to the bottom line and then loops back up towards the middle line. The letter "o" is shown with a vertical red stroke on the middle line and a circular blue stroke that goes around the middle line. The letter "y" is shown with a vertical red stroke on the middle line and a diagonal blue stroke that starts from the middle line, goes down to the bottom line, and then turns back up towards the middle line.

eight

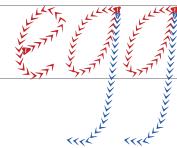

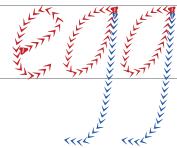

g i n g h t

A handwriting guide for the word "eight" on three-line paper. The letters are written in cursive. Red arrows show the initial counter-clockwise strokes for 'g', 'i', 'n', 'g', and 'h'. Blue arrows show the subsequent clockwise strokes for 't' and 'i'. Small blue dots mark the starting points of each letter.

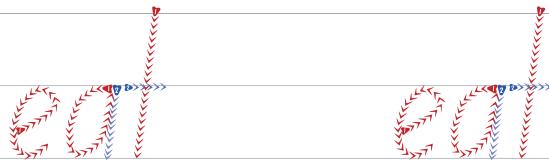

g i n g h t

A second handwriting guide for the word "eight" on three-line paper, mirroring the first one. It shows the red and blue stroke order for each letter, with blue dots indicating the starting points.

her

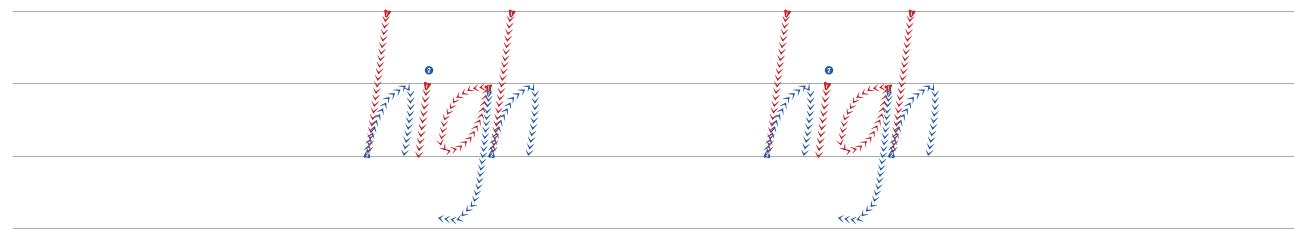

A handwriting guide for the word "her" on three-line paper. The letters "h" and "e" are shown in blue, and the letter "r" is shown in red. Red arrows indicate the direction of each stroke: the vertical stem of "h", the diagonal leg of "h", the vertical stem of "e", the diagonal leg of "e", and the curved loop of "r". The letters are positioned within the middle line of the grid.

her

A handwriting guide for the word "her" on three-line paper. The letters "h" and "e" are shown in blue, and the letter "r" is shown in red. Red arrows indicate the direction of each stroke: the vertical stem of "h", the diagonal leg of "h", the vertical stem of "e", the diagonal leg of "e", and the curved loop of "r". The letters are positioned within the middle line of the grid.

info

A handwriting guide for the word "info" on three-line ruled paper. The top line is dashed, the middle line is solid, and the bottom line is dashed. The word "info" is written in black. Red arrows above the letters indicate stroke direction: a vertical downstroke for 'i', a counter-clockwise circle for 'n', a vertical downstroke for 'f', and a counter-clockwise circle for 'o'. Blue dots mark the starting points of each stroke.

info

A second handwriting guide for the word "info" on three-line ruled paper. The top line is dashed, the middle line is solid, and the bottom line is dashed. The word "info" is written in black. Red arrows above the letters indicate stroke direction: a vertical downstroke for 'i', a counter-clockwise circle for 'n', a vertical downstroke for 'f', and a counter-clockwise circle for 'o'. Blue dots mark the starting points of each stroke.

info

*job*

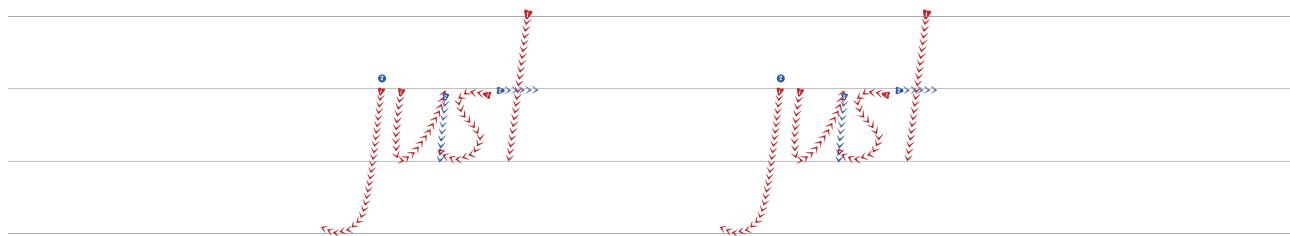

A handwriting guide for the word "job". It features three horizontal blue lines: a top line, a middle line, and a bottom line. The letter "j" starts at the top line with a red arrow pointing down to the middle line. From the middle line, a red arrow points down to the bottom line, forming the vertical stem of the "j". The letter "o" begins at the bottom line with a red arrow pointing up to the middle line. From the middle line, a red arrow points up to the top line, forming the circular loop of the "o". The letter "b" starts at the top line with a red arrow pointing down to the middle line. From the middle line, a red arrow points down to the bottom line, forming the vertical stem of the "b". A blue arrow then points from the bottom line back up to the middle line, forming the horizontal stroke of the "b". Small red arrows also indicate the direction of the horizontal strokes within the "o" and "b".

*job*

A second handwriting guide for the word "job", identical in structure to the first one above it. It shows the letters "j", "o", and "b" being formed on three horizontal blue lines (top, middle, and bottom). Red arrows indicate the direction of each stroke: down/up/down for "j", down/up/down for "o", and down/up/down/right for "b". Blue arrows also show the horizontal strokes within the "o" and "b".

key

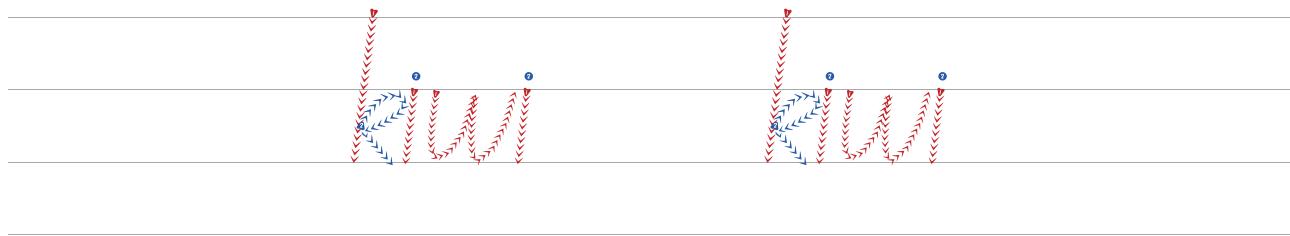

A handwriting guide for the word "key" on ruled paper. The letters "k", "e", and "y" are shown in red, with blue arrows indicating the direction of each stroke. The "k" has a vertical downstroke and a diagonal downstroke. The "e" has a vertical downstroke and a curved loop. The "y" has a vertical downstroke and a diagonal downstroke.

key

A handwriting guide for the word "key" on ruled paper. The letters "k", "e", and "y" are shown in red, with blue arrows indicating the direction of each stroke. The "k" has a vertical downstroke and a diagonal downstroke. The "e" has a vertical downstroke and a curved loop. The "y" has a vertical downstroke and a diagonal downstroke.

key

kiwi

know

A cursive word "know" written on four-line handwriting paper. Red arrows and lines indicate stroke order: a vertical downstroke for the 'k', a curved loop for the 'n', and a single downward stroke for the 'ow'. Blue arrows show the direction of the loops for the 'n' and 'ow'.

know

A second cursive word "know" on four-line handwriting paper, demonstrating the same stroke order and directionality as the first one.

ten

A handwriting guide for the word "ten" in cursive script. It features three horizontal lines: a top line, a middle line, and a bottom line. The letter "t" starts at the top line with a vertical stroke down to the middle line, ending with a small loop at the middle line. The letter "e" starts at the middle line with a curved stroke down to the bottom line, ending with a small loop at the bottom line. The letter "n" starts at the middle line with a curved stroke down to the bottom line, ending with a small loop at the bottom line. Red arrows indicate the direction of each stroke.

ten

A second handwriting guide for the word "ten" in cursive script, positioned to the right of the first one. It uses the same three-line system. The letter "t" starts at the top line with a vertical stroke down to the middle line, ending with a small loop at the middle line. The letter "e" starts at the middle line with a curved stroke down to the bottom line, ending with a small loop at the bottom line. The letter "n" starts at the middle line with a curved stroke down to the bottom line, ending with a small loop at the bottom line. Red arrows indicate the direction of each stroke.
